AT&T is committed to education and has pledged to invest \$350 million in the "Aspire" program. This program provides grants to schools, non-profit organizations and researchers for ventures aimed at increasing the country's high school graduation rates.

AT&T is also proud to be the choice provider for the Union Movement and is the only national unionized carrier. We are proud to extend this offer to the hard-working members of the National Education Association and invite you to join the 104 million subscribers already relying on AT&T's network

Use member FAN Number **04491660** when going into the AT&T store or if you are already a current AT&T participant.
