I have enjoyed serving on the Retired Advisory Council. Please re-elect me so I can continue to represent your interest and assist in growing our retired membership.

**Pamela Mackall**

**Local Association:** CEA

As an active member I've been elected to serve my local and state in many capacities. My passion for educational issues remains strong and I feel I would be an asset to the Council. I'd appreciate your vote to become a member of the RAC so that I'll be able to continue to serve.

**Norma Martof**

**Local Association:** PGCEA

As a retired delegate I would like to attend and represent both active and retired members.

## **Wanda Newman**

**Local Association:** ACE-AFSCME, LOCAL 2250

Consider a new perspective, a new face, and a newly retired educator to the Retired Advisory Council. The concerns and issues of retired educators must be addressed in the state of Maryland to ensure our collective voices are heard in considering, planning, and/or implementing programs affecting retirees.

## **Karen Randall**

**Position:** Retired

**Local Association:** HCEA(Howard)

Newly retired member of HCEA/MSEA/NEA and would like to serve on the Retired Advisory Council. As a member of the Retired Advisory Council, I would encourage newly retired members to become retired members of MSEA and serve MSEA as a positive, vital and active member. Retired members have much to contribute. Give us a chance!!

## **Geneva Rawls**

**Local Association:** PGCEA

I'm available as your mouth piece to deliver any message necessary because as a retiree I now have the time and the desire. It seems that our job will never be done so a vote for Geneva Rawls will get the job done for education and educators that are still in the classroom.
