Local Association: PGCEA

It is my desire to work in an educational capacity to help students, their parents, and other educators in any way I can. Once a teacher, always a teacher! My experience with PGCEA, MSEA, as a building representative and a delegate to the NEA has been invaluable.

It would be an honor to represent you at the NEA representative Assembly. I am a retired Prince George's County teacher and have attended over 30 conventions throughout my career. Thank you for your support.

I believe teachers need to be on the cutting edge of what is going on in education. Being a 39 year teacher, substitute, tutor and chairperson for the local retired teachers, I want to remain informed, connected and protected.

Fran Green

Local Association: PGCEA

As a life time member of MSEA and NEA I continue to be involved in local and state activities. The NEA's work helps us to keep advocating for quality in our schools and persisting in protections and continued rights for all teachers. I will continue to fight for these rights!

I have enjoyed representing you in the past and would like to do so again.

I've been an activist in all of my Active teaching years and I am continuing to be one in my retirement years. As a retired teacher-leader, I want to focus my long time leadership skills to continue to be an advocate for the concerns of our Retired members at the NEA RA.

I have been a dedicated unionist for all of my professional life. It saddens me to see how unions and public educations continue to be beaten up. It is time for me to rejoin the conversation and the battle if you will have me.

Pamela Mackall

Local Association: CEA

As an active member I've been elected to serve my local and state in many capacities. Now as a retiree, my passion for educational issues remains strong. I'd appreciate your vote as Delegate to the NEA Convention so that as a retiree, I'll be able to continue to serve.

Betty Makell Coleman

Local Association: TAAAC

I'll use my knowledge & skills I've acquired during my many years of service to the association to advance the Retired Program. I will take advantage of every opportunity to learn all that is offered to enable me to work for retirees and the entire MSEA Program. Vote for Betty Makell Coleman for NEA Delegate.

Norma Martof

Local Association: PGCEA

As a retired delegate I would like to attend and represent both active and retired members.

Wanda Newman

Local Association: ACE-AFSCME, LOCAL 2250

Vote for an ACTIVE RETIRED Member committed to doing something to further the agenda of educators on behalf of children and public education. As a former active member, and a newly retired active member, I am still a champion for public education.

Now is the time for us to be more proactive concerning public education and I would like to represent Maryland at the National Representative Assembly. Member of: Chair of MSEA Women's Concerns Committee, State Grassroots Organizing Team, Past HCEA Board of Directors, Past Chair local Membership Committee, Past member local Government Relations Team.

Geneva Rawls

Local Association: PGCEA

I'm available as your mouth piece to deliver any message necessary because as a retiree I now have the time and the desire. It seems that our job will never be done so a vote for Geneva Rawls will get the job done for education and educators that are still in the classroom.

We are worth it! As educators, we must demand respect for our profession and fight for our rights as professionals. We educate tomorrow's leaders.
