JULY 16-19, 2019 • SALISBURY UNIVERSITY

ORGANIZE | BUILD POWER | TAKE ACTION | DEMAND CHANGE

At SLC 2019, we're aligning every program and event with the Red for Ed movement. Members will learn about the issues and skills needed to lead MSEA into this exciting new wave of union activism.

THREE **NEW**
REASONS
NOT TO MISS
SLC2019

T(Ed) Talks Hear experts talk about what solidarity looks like based on their experiences in other unions and states where their action has resulted in change.

Electives Build some mad skills in niche areas of union activism—think grant writing for funding your special project, building power using your contract, bargaining for the common good, and more.

Results Be a leader now. Show your power now. Build solidarity now. Join the action at SLC!
