Please elect Theresa Mitchell Dudley for NEA Director. It is important that state and local affiliates are informed of best practices and programming from NEA. We need strong leadership on the national level. Thank you for your vote.

As a veteran teacher, I am very interested in getting involved at the national level on issues and items which are presently impacting education. During this divisive time in America, it is critical to ensure that equity and diversity are at the center of what takes place in our educational system.
